# About Kids Pro Ice Racing

Kids Pro Ice Racing is a non-profit youth ice racing association based in the Twin Cities region with over 20 active families.

Our mission is to promote sportsmanship and friendship through our passion for snowmobiles and racing.

## Who Races?

Racers range from 4-16 years of age, including both boys and girls.

We offer fifteen race classes, which allows drivers of any skill level to compete.

We are well known for producing some of the finest racers in ORA, USSA, and the TLR Cup race series.

## Our Season...

Our race season begins in late December and runs through early March.

We generally race on lakes throughout East-Central Minnesota and West-Central Wisconsin.
